General Instructions

Who must file a FP-31?

Generally, every individual, corporation, partnership, executor, administrator, guardian, receiver, trustee (every entity) that owns or holds tangible personal property in trust must file a District of Columbia (DC) personal property tax return, Form FP-31. This includes property:

- used or available for use in DC in a trade or business, whether or not operated for profit; and,
- kept in storage, held for rent or lease or similar business arrangement with third parties, government agencies or non-profit entities.

Note: By definition, you are engaged in a trade or business if you are carrying on the affairs of a trade, business, profession, vocation, rental of property, or any other activity, whether or not operated for profit or livelihood. Construction companies doing business in DC at any time during the tax year must apportion the remaining cost (current value) of tangible personal property as of July 1, 2024, by the number of days their tangible personal property was physically located in the District.

Who is exempt from paying Personal Property Tax?

You are exempt from paying if:

- You are a non-profit organization. If the tangible personal property of an Internal Revenue Code (IRC) 501(c)(3) organization has received a certificate of exemption from the DC Office of Tax and Revenue (OTR) it is exempt from the personal property tax.

Note: Any personal property used for activities that generate unrelated business income subject to tax under IRC § 511 is not exempt from the personal property tax. If you are an IRC § 501(c)(3) organization and would like a DC application for exemption (Form FR-164), please log into your account at MyTax.DC.gov to complete and submit your application.

- You pay DC Gross Receipts Tax, Distribution Tax, Toll Telecommunication Service Tax, or Commercial Mobile Service Tax.
- You are a co-generation system that produces both electric energy and steam or forms of useful energy (such as heat) that are used for industrial, commercial, heating, or cooling purposes.
- You are a system using exclusively solar energy as defined in DC Official Code § 34-1431(14).
- You are a qualified supermarket under DC Official Code §47-3801(2), have otherwise been subject to personal property tax for less than 10 years, and have applied for and received a certificate of eligibility for the exemption from the Office of the Mayor. See DC Code §§ 47-3802(c)(1) and 47-1508(a)(9).

\$225,000 Exclusion

There is no tax due if the value of your personal property is \$225,000 or less; however, you still must file the return.

Which other DC personal property tax forms may be filed?

- Railroad Tangible Personal Property Return, Form FP-32;
- Rolling Stock Tax Return, Form FP-34;
- Extension of Time to File DC Personal Property Tax Return, Form FP-129A.

For questions regarding which forms you may need, please visit MyTax.DC.gov or contact our Customer Service Administration at 202-727-4TAX (4829).

When are your taxes due?

You must file and pay your return via MyTaxDC.gov by July 31, 2024.

Payment Options

If the amount of the payment due for a period exceeds \$5,000, you must pay electronically on MyTax.DC.gov.

Refer to the [Electronic Funds Transfer \(EFT\) Payment Guide](#) available on our website for instructions for electronic payments.

Payment options are as follows:

- **ACH Debit.** ACH debit is used for taxpayers who have signed up for MyTax.DC.gov. There is no fee. Bank account information is stored within the online account. MyTax.DC.gov can store multiple bank accounts across multiple tax types. The taxpayer gives OTR the right to debit the money from their bank account. The use of foreign bank accounts for business ACH Debit is not allowed. Ensure you allow 1-3 business days for processing if entering change of banking information.
- **Credit/Debit Card.** The taxpayer may pay the amount owed using Visa®, MasterCard®, Discover® or American Express®. You will be charged a fee that is paid directly to the District's credit/debit card service provider. Payment is effective on the day it is charged.
- **ACH Credit.** ACH credit is for business taxpayers only. There is no fee charged by OTR, but the taxpayer's bank may charge a fee. The taxpayer directly credits OTR's bank account. The taxpayer does not need to be registered to use this payment type and does not need access to the website. **Note:** When making ACH Credit payments through your bank, please use the correct tax type code (00400) and tax period ending date (YYMMDD).

International ACH Transactions (IATs).

The District does not support International ACH Transactions ("IAT") for payments or direct deposit refunds that are remitted to or received from a financial institution outside the territorial jurisdiction of the United States. (The territorial jurisdiction of the United States includes the District of Columbia, US territories, US military bases, and US embassies in foreign countries.) A foreign address is not an indicator of whether the payment or refund is an IAT. Please refer to the IAT section in the [District of Columbia's Electronic Funds Transfer \(EFT\) Payment Guide](#) for more information.

Penalties and Interest

Returns and/or payments that are not received by the due date will accrue penalties and interest as required by District law. OTR will charge:

- A penalty of 5% per month if you fail to file a return or pay any tax due on time. The penalty is computed on the unpaid tax for each month, or fraction of a month, that the return is not filed or the tax is not paid. The penalty may not exceed an additional amount equal to 25% of the tax due;
- A 20% penalty on the portion of an underpayment of taxes if attributable to negligence. Negligence is a failure to make a reasonable attempt to comply with the law or to exercise ordinary and reasonable care in preparing tax returns without the intent to defraud. One indication of negligence is the failure to keep adequate books and records;
- Interest of 10% per year, compounded daily, on a late payment;
- A one-time fee to cover internal collection efforts on any unpaid balance. The collection fee assessed is 10% of the tax balance due 90 days after issuance of a notice of enforcement;
- A civil fraud penalty of 75% of the underpayment which is attributable to fraud (see DC Code § 47-4212).

A substantial valuation misstatement penalty may be applied if there is an understatement of the tax liability greater than \$5,000 (or greater than \$10,000 for corporations) that is attributable to a valuation misstatement.

The valuation misstatement is a substantial misstatement if the amount determined to be the correct valuation is 200% or more, or less than or equal to 50% of the amount determined to be correct amount of valuation or adjusted basis reported on your return. The penalty is equal to 20% of the underpayment attributable to the misstatement.

The valuation misstatement is a gross misstatement if the amount determined to be the correct valuation is 400% or more than the amount reported on your return. The penalty is equal to 40% of the underpayment attributable to the misstatement.

Specific Instructions

Number of DC locations

A business owner of tangible personal property having multiple locations in the District must report that property on one personal property tax return. Attach a separate schedule identifying tangible property for each location. Do not file separate returns for each location.

Value of Tangible Personal Property — You must report the remaining cost (current value) of all your tangible personal property as of July 1, 2024.

Depreciation— Depreciation is allowed only for the period of ownership from the month and year of acquisition. The straight line method of depreciation is the only method allowed in calculating the remaining cost (current value). Do not use accelerated depreciation methods and property lives, including the Accelerated Cost Recovery System. Tangible personal property (excluding qualified technological equipment) reported on the return must not be depreciated in excess of 75% of its original cost. Consequently, the remaining cost (current value) of all tangible personal property (excluding qualified technological equipment) must be at least 25% of the original cost.

Qualified technological equipment must be depreciated at the rate of 30% per year. It must not be depreciated in excess of 90% of its original cost. Consequently, the remaining cost (current value) of qualified technological equipment must be at least 10% of the original cost.

Depreciation rates for tangible personal property not listed in the Depreciation Guidelines in this booklet may be obtained by calling (202)727-4TAX(4829).

Use Schedule A of the Personal Property Tax Return to report all depreciable property that you own which is subject to the personal property tax.

Leased Property — Any tangible personal property owned by the lessor must be reported by the lessor in Schedule A. Any tangible personal property under a "Lease-Purchase Agreement" or a "Security Purchase Agreement," under which the lessee is to become the owner, must be reported by the lessee in Schedule A.

Schedules — All items of tangible personal property owned by the business and located or having a taxable situs in DC, whether or not currently in use, must be reported at their remaining cost (current value) as of July 1, 2024. Please refer to the 2025 Specifications for FP-31 Personal Property Tax Schedules Import for instructions on how to use the Excel spreadsheet.

Asset ID — An Asset ID is a unique identifier assigned by the taxpayer to a particular asset in the organization(s). It is usually composed of numeric or alphanumeric characters. It is an essential process for any organization that manages various tangible assets and an integral component of an overall asset-tracking system.
