Other Taxes/Fees

Line 21: Less 2% of 911 Sales Receipts Less 3% Discount: The 2% fee of the sales price of prepaid wireless telecommunication services. This charge is in addition to the 10% sales tax already being charged on telecommunication retail transactions and must be separately stated on the invoice, receipt or other similar document given to the customer.

The prepaid wireless 911 charge is the liability of the consumer, but the seller is liable for remitting the prepaid wireless 911 charges collected to OTR. The seller is entitled to retain 3% of the total prepaid wireless 911 charges collected.

The charge will not apply to:

- The purchase of wireless telecommunication services which are made for purposes of being resold; and
- An amount of service of 10 minutes or less, or valued at \$5 or less when the service is sold with a prepaid wireless device for a single, non-itemized price.

You may use the worksheet below as a reference to determine the net charges to be submitted to OTR. Net charges will be automatically calculated and referenced on Line 21 of the printable view summary page.

Worksheet Instructions

Line 22: Disposable Bag Carryout Fee, net of discount: The total bag fee collected, less discount. The Anacostia River Cleanup and Protection Act of 2009 (also known as the District's Bag Law) requires all District businesses that sell food or alcohol to charge a \$.05 fee for every disposable paper or plastic carryout bag provided to customers. Businesses retain \$.01 (or \$.02 if the business offers a rebate when customers bring their own bag).

To calculate your business' net bag fee, tally the number of bags sold by reviewing your customer receipts or your electronic sales management system. For instance, if your business sells 1,000 bags, your business should remit \$40 (1000 bags x \$0.04 = \$40) or \$30 if your business has a carryout bag credit program that offers a \$0.05 credit to customers who bring their own bags (1000 bags x \$0.03 = \$30). Please note that the amounts retained by a business are not considered revenue and are tax exempt.

The DC Department of Energy and Environment (DOEE) is auditing businesses for bag fee compliance and assessing penalties where appropriate. If you are unclear about how to remit fees, please contact DOEE at CAPTeam@dc.gov. For more information on the District's Bag Law, please visit: doee.dc.gov/bags.
